

661—11.20(135C) Release of dependent adult abuse records. Effective July 1, 1997, the department of public safety, division of criminal investigation, may release to health care facilities licensed under Iowa Code chapter 135C dependent adult abuse registry information received from the department of human services. The department of public safety and the department of human services shall enter into a 28E agreement to carry out this rule.
